

## Training for the Masons on Construction of Standard Septic Tank

Mahalaxmi Municipality, with technical support of ENPHO and financial support of Bill and Melinda Gates Foundation organized the '**Training for the Masons on Construction of Standard Septic Tank**' on 7 September 2022 at Indreni Banquet, Imadol in Mahalaxmi Municipality.

Altogether, **19 masons** from the Municipality attended the training.

Training provided information and knowledge on **urban sanitation, Municipality's FSM By-Laws** and **standard septic tank.**

Training included **practical session** where the participants learned about the standard septic tank by assembling its model.

The participants expressed their joy for organizing such an insightful training that **capacitated them** on standard septic tank and **helped improving** on the way they had been constructing the septic tank.
